1. Tax Services

We offer comprehensive tax services that help individuals and businesses meet their statutory obligations with accuracy, confidence, and compliance. Our team provides end-to-end support across tax registration, computation, documentation, and timely filing, ensuring full alignment with Tanzania Revenue Authority (TRA) regulations and the latest tax laws.

We go beyond basic compliance by helping clients identify tax efficiencies, manage risk, and structure their operations in a way that minimizes exposure to penalties and unnecessary costs.

Whether you are establishing a new business, managing monthly returns, or preparing for audits, we ensure your tax matters are handled professionally, transparently, and with strict attention to detail, allowing you to focus on growth while we take care of the complexities.

Our Key services include

- Corporate Tax
- Personal Income Tax
- VAT Returns
- Payroll Tax
- Tax Estimates Return
- Capital Gain Tax
- Withholding Tax
- Property Tax
- Tax Accounting
- Tax Health Checkup
- Tax Compliances
- Reply Tax Findings & Auditing

Corporate Tax

We prepare, compute, and file corporate income tax to ensure full compliance and correct reporting for businesses.

VAT Returns

We handle monthly VAT computations, reconciliations, and submissions to ensure timely and error-free VAT compliance.

Tax Estimate Returns

We prepare and submit tax estimates to help businesses meet TRA requirements and plan ahead for annual tax obligations.

Withholding Tax

We assist with withholding tax calculations, deductions, documentation, and timely filing to avoid penalties.

Tax Accounting

We provide systematic tax record-keeping, reconciliation, and reporting to support clean financial and tax compliance.

Reply to Tax Findings & Auditing

We professionally respond to TRA queries, clarify findings, prepare documentation, and represent clients during tax audits.

Personal Income Tax

We assist individuals with accurate tax calculations, filing, and compliance for salary and business income.

Payroll Tax

We manage PAYE, SDL, and WCF calculations and filings to keep your payroll fully compliant with statutory requirements.

Capital Gain Tax

We calculate and file capital gain tax for property and asset transactions, ensuring compliance during sales or transfers.

Property Tax

We help clients assess, compute, and pay property tax accurately for both residential and commercial properties.

Tax Health Checkup

We review your tax records, filings, and compliance status to identify risks, gaps, and opportunities for improvement.

2. Financial Auditing Services

AFRICONCONSULT SOLUTIONS LIMITED offers reliable financial auditing services that help organizations maintain transparency, accuracy, and compliance in their financial reporting. We conduct independent reviews of financial statements and internal controls to ensure they meet professional standards and regulatory requirements.

Alongside statutory audits, we provide internal reviews, project audits, bookkeeping, and outsourced accounting support. Our goal is to strengthen financial integrity, improve efficiency, and give clients clear, dependable insights for better business decision-making.

Our Key services include

- External Audit
- Internal Audit
- Special Purpose Audit
- Bookkeeping Services
- Outsourced Accounting

External Audit

We examine and verify a company's financial statements to ensure they are accurate, complete, and compliant with accounting standards. This gives shareholders, lenders, and regulators confidence in the reported financial information.

Special Purpose Audit

We conduct audits tailored to specific needs such as donor-funded projects, grant audits, compliance reviews, and verification of targeted financial activities based on client or regulatory requirements.

Outsourced Accounting

We provide a full accounting department for businesses, handling financial reports, reconciliations, statements, and compliance needs so clients can focus on running their operations.

Internal Audit

We evaluate internal controls, operational processes, and risk management systems to identify weaknesses and recommend improvements that strengthen accountability and efficiency within the organization.

Bookkeeping Services

We record, organize, and maintain all financial transactions including expenses, income, bank reconciliations, and ledgers to ensure accurate and up-to-date financial records.

3. Advisory Services

AFRICONCONSULT SOLUTIONS LIMITED offers reliable advisory services to help businesses stay compliant and operationally efficient. We assist with company registration, ORS updates, and BRELA returns, ensuring all statutory requirements are accurately met.

We also support businesses in obtaining necessary licenses, managing documentation, and liaising with authorities to make the process smooth and hassle-free, allowing clients to focus on growth with confidence.

Our Key services include

- Company Registration
- ORS Updates
- Brela Returns
- Business License Applications
